Guidelines for Computer Use

If you are feeling sick or have flu-like symptoms, please do not enter the Library building.

Contact your healthcare provider, or call HealthLinkBC at 811, or 711 for the deaf & the hard of hearing (toll-free), & speak with a health service navigator.

Keeping everyone safe

- The **plastic coverings** on the keyboard & mouse are for your safety, please **do not remove** them while using the computer
- Due to concerns with COVID-19, Library staff are currently unable to assist you with any computer problems
- Because only a few public computers are available at this time, **computer use is limited to one session of max. 45 minutes per person per day**

How to use Public Computers during COVID-19

1. Check in with a library staff member
2. **Wash your hands before using the computer**
3. Use your Squamish Library card or guest pass to sign in
4. You have **45 minutes** on the computer per day (one session per day)
5. For printing, please refer to **printing guide** near your computer
6. When you are **finished**, please **remove the plastic covers** from your keyboard & mouse, & place them in the **collection bins** by the back door
7. Please **exit** the computer area **through the back door**
