# SQUAMISH NATURE LEARNERS

*We Love Átl'ka7tsem  
(Howe Sound)*

arts & crafts - mixed media

"We Love Átl'ka7tsem (*Howe Sound*)" was created by the students at Squamish Nature Learners to honor Átl'ka7tsem. Collaborating with Elder Carver Art Harry, the students crafted these pieces to show their appreciation for Howe Sound and to acknowledge the unceded territory of the Squamish Nation. The art pieces celebrate Átl'ka7tsem that is central to our community.

Squamish Nature Learners is a K-7 forest school. The central themes of the school include land based learning, community, and learning from Squamish Nation Elders (Sisolia, See Appl-tun, and Tsawaysia)
